LETTER FROM THE PRINCIPAL

Dear Teachers, Staff, Students, and Families--

Welcome to the 2023-2024 school year! My name is Carey Gilcher and I am excited to be your Principal at BridgePrep Academy of Collier. I look forward to meeting each of you and working together to continue the BridgePrep tradition of excellence and commitment to students. More than anything, I look forward to an exciting school year for all of us- celebrating our victories, learning new things, exploring our passions, and making new friends.

My career in education began as an English teacher here in Collier county in 2002 where I have taught English Language Arts, intensive reading, journalism and technology at Manatee Middle School and Lorenzo Walker Technical High School. I have been fortunate to serve students across Collier county as a district literacy specialist and as a school improvement specialist, finally landing in school administration in 2017. After 5 years learning as an assistant principal, I am thrilled to embrace the role of principal with BridgePrep. I am thankful to the mentors and colleagues who have guided me throughout my career and excited to see what the future holds. I plan to continue to foster an environment of respect, happiness, peace, learning, and growth throughout our school community and confident that together, we will achieve great things.

Please feel free to come by the school and say hello, as I am eager to get to know each of you. Prior to the beginning of school, we will host a family event and will send out details as soon as we have them. I look forward to meeting you all, and hope you relax and recharge as you enjoy the rest of summer vacation.

Sincerely,
Ms. Carey Gilcher

DAILY PROCEDURES

School starts promptly at 8:00am. Families may drop students off in the front car line between 7:30am and 8:00am. Children eating school breakfast will be admitted into the building at 7:30am. **For safety purposes, students are not allowed outside the buildings unattended before these times.**

The entrance to the school and the exit are via Santa Barbara Blvd.

- If your child arrives at school before their opening time, your child must go directly to the gym.
- If your child arrives at school after their opening time, your child must go directly to the main office accompanied by an adult to sign them in and pick up a tardy pass. Teachers will not permit students into class without a tardy pass from the main office.

PLEASE REFER TO OUR ATTENDANCE POLICIES FOR REQUIRED DOCUMENTATION

If your child is absent or tardy to school, your child will need a note explaining the absence or tardiness. If a child does not have a note, he/she will be marked unexcused. There are three days to send in a note excusing your child's absence or tardiness, after the five days the unexcused classification will remain.

DISMISSAL

1. Teachers and students must not leave the classroom before 3:00pm.
2. Students are will be dismissed directly from their classrooms.
3. Teachers will remain with their students for 15 minutes after the child's scheduled dismissal time. Students that have not been picked up 15 minutes after their dismissal time will be placed in the on-campus after school care program at **a fee charged to the parent.**
4. When students are dismissed, a student is expected to take with him/her all materials needed for homework including his/her agenda.

5. Students will not be permitted to go back into their classrooms after being dismissed from school. This policy also applies for students enrolled in the aftercare program.
6. **Students will not be released from class 30 minutes prior to the end of their scheduled school day. This is a district mandate in place for the safety of all students.**
7. Students will not be released to anyone under the age of 18 years old (valid driver's license is brought in), or anyone that is not on the emergency contact card and approved by the parent or legal guardian. All parents/guardians or those picking up will need to bring in a valid driver's license.

ARRIVAL/DISMISSAL PROCEDURES

When dropping off or picking-up students:

1. You may drive through the pick-up lane, stop momentarily at your child's designated pick-up area, and allow staff to open your car door and help your child into the car. Please do not linger, but drive on, as there will be parents in other cars behind you attempting to drop off or pick up their child. If there is a long line of cars waiting to drop off or pick-up students, please be patient and follow the traffic control directions.
2. You may **not** park your car and walk to your child's classroom for arrival or to your child's designated pick-up area at dismissal and retrieve your child. Your child is to walk with supervising personnel.

At no time is anyone to park and leave his or her car on the drop-off, pick-up lane. Parking a car in the drive through lane will obstruct the flow of traffic and create a potentially dangerous situation. Please understand that parking in the unauthorized areas is considered a serious offense. It is strongly encouraged that purses, electronic devices, etc. be taken out of the vehicle when it will be unattended. The school or its employees are not held responsible for any stolen items left inside a vehicle.

3. Handicap spaces are to be reserved and utilized for handicapped drivers that currently have a decal indicating so. Unauthorized vehicles are not to park in those identified parking spaces.

DESIGNATED PICK-UP AREAS

Drop-off and Pick-up Areas

All students should be dropped off and picked up in the car line. The drop-off/pick-up zone is between the front office door and the gymnasium. Please patiently wait your turn and do not let students out of the car until directed to do so.

Children registered in the After-School Care Program

All students going to After-School Care will start in the gym. From there, students will be divided into grade-level groups. After snack time, students will attend study hall and take part in a scheduled free or structured play activity.

Pickup for afterschool care will be from the front office. Parents will sign-out their child with the Aftercare Director posted at the front desk. The director will radio the aftercare counselor/group to which your child is assigned. Children will be directed to gather their belongings and report to the front office for pickup.

By 4:45 p.m. student groups may be combined. Please pay close attention to signage posted outside that will indicate whether children are in the gym or on the playground.

Rainy Day Dismissal

On rainy days, there will be regular dismissal unless there is lighting, at which time dismissal will be delayed. It is strongly encouraged that your child has a poncho in his /her book bag.

PARKING AND TRAFFIC REGULATIONS RULES

- Speed limit on school grounds is five (5) miles per hour.
- Please obey the traffic signs on the property.
- **There is no parking permitted in the drop-off and pick-up lane.**
- Pedestrians have the right of way, please stop at the crosswalk.
- While you are in the drop off and pick up lane, please abide by the following rules:
 1. Do not exit your vehicle.
 2. **Do not place your child's belongings in the trunk of your car because this will require that the child retrieve his belongings from the trunk and place him/her between two running cars.**

PATROLS

Our patrols are students from our 5th Grade Leadership Team. Our patrols are there to assist you and your child in the arrival and dismissal process. The patrols are there to enforce the policies designed by the administration. If you have a concern with a school policy, please do not discuss it with the patrols. Please take all concerns to the patrol supervisor or administration.

ATTENDANCE

Attendance and punctuality are mandatory. It is an educational fact that attendance and grades are connected. There are probably no factors more important to successful school progress than regular and punctual school attendance. Students who are tardy or absent excessively from the instructional program will fall behind in academic achievement. Excessive school absenteeism precedes grade failure, loss of interest, and may result in students withdrawing from school. We expect our students to demonstrate excellent attendance. Please make every effort to have your child attend school on time consistently.

School Attendance: Students are to be counted in attendance only if they are present for at least **two** hours of the day or engaged in a school-approved educational activity which constitutes a part of the instructional program for the student.

Class Attendance: Students are to be counted in attendance if they are physically present in class for at least half of the class period, have been excused by the teacher on a class-related assignment, or have been requested by a member of the school support staff for an approved school activity.

- 1. Students missing five or more consecutive days of school due to illness or injury are required a written statement from a health care provider.**
2. The written statement must include all the days the student has been absent.
3. If a student is continually sick and repeatedly absent from school due to a specific medical condition, he/she must be under the supervision of a health provider.
4. Failure to provide required documentation within three school days upon the return to school **will result in unexcused tardies or absences.**
5. Students who have habitually unexcused absences shall be considered truant. Students affected by the Compulsory School Attendance Law may be referred to Children and Family Services for truancy.
6. Any student arriving after their opening time will be issued a late pass and marked tardy. **After ten (10) unexcused tardies, the student will be issued a referral form that will be placed in the student's permanent record.** We understand that emergencies may arise. In such cases, we will need a letter signed a parent/guardian explaining the reason for being tardy.
7. Parents are to contact the office if their child is going to be absent. On the day he/she returns to school, parents must send a handwritten note explaining the reason for their child's absence. A maximum of 10 handwritten notes will be accepted per school year. After 10, an attendance meeting will be scheduled.
8. For excused absences, make-up work and homework must be completed within 24 hours (per missed day) after returning to school. All assignments must be made-up, or the student will be issued an incomplete. Incomplete assignments may affect the student's final grade. **It is the parent's responsibility to contact the teacher regarding any missed assignments.** If a student anticipates being absent for more than two consecutive days, it is the parent's responsibility to contact the school and pick-up any class work/homework from the teacher.

Excused Absences

- A. Personal illness of the student (medical evidence may be required by the principal or designee for absences exceeding **five** consecutive days). The written statement must include all days the student has been absent from school. If a student is continually sick and repeatedly absent from school due to a specific medical condition, the student must be under the supervision of a health care provider to receive excused absences from school.
- B. Medical Appointment: If a student is absent from school due to a medical appointment a written statement from a health care provider indicating the date and time of the appointment must be submitted to the Principal.
- C. Death in immediate family.
- D. An approved school activity (absences recorded but not reported).
- E. Other absences with prior approval of the Principal.
- F. Attendance at a center under Department of Children and Families supervision.
- G. Significant community events with prior permission of the Principal. When more than one school is involved, the Region Superintendent will determine the status of the absence.
- H. Observance of a religious holiday or service when it is mandated for all members of a faith that such a holiday or service is observed. The religious holiday must be listed on the district's approved list of religious holidays.

Tardiness

A student is considered tardy if they are not present at the moment the school bell rings for the class assigned. NOTE: If a student is not present when attendance is taken but is present later in the school day, that student must be considered in attendance, but tardy, and the absence should be changed. A student who is tardy should never remain on record as being absent.

A student who has twenty (20) or more cumulative tardies will not be allowed to participate in interscholastic competitions or performances for the remainder of the school year.

Early Sign-outs

No student shall be released within the final thirty (30) minutes of the school day unless authorized by the Principal or principal's designee (i.e., emergency, sickness).

No student shall be permitted to leave school prior to dismissal at the request of, or in the company of anyone other than a school employee, a police officer with judicial authority, a court official, or the parents of the student unless the permission of the parent is provided. No parent may have access to the student or may grant permission to allow the student to leave school prior to dismissal if there is a legally binding instrument or court order governing such matters as divorce, separation, or custody which provides to the contrary. The parent who is the primary residential custodian or the parent who enrolled the student shall determine in writing if the student may be released to individuals unless otherwise stated in a court order.

Emergency Contact Card must include those individuals who a parent/legal guardian permits the child to leave school grounds with on any day at any time. The parent or legal guardian is to ensure the Emergency Contact Card is current.

Immunization records must be current for each student. It is the responsibility of the parent or legal guardian to provide the school the updated forms.

BIRTHDAYS

Parents might want to recognize their child's birthday in school, however daily celebrations can severely reduce instructional time. Healthy and non-messy snacks are welcome, please plan with your child's teacher. We cannot have lunch parties or send food items to be given during lunch times. Healthy treats should be store-bought (as opposed to homemade) and have nutrition and ingredient labels intact. Please avoid food items that contain nuts or other common allergens.

NO PEANUTS OR ITEMS CONTAINING NUTS ARE ACCEPTED OR ALLOWED FOR ANY ACTIVITY AT SCHOOL.

BOOK BAGS

It is recommended that each student have a book bag to transport his/her books and materials between school and home. We highly encourage parent(s) to check their child's book bag often to ensure necessary school materials, assignments, and communication notes are seen and returned to school. School supplies should be replenished as needed.

LUNCH BAGS/BOXES

Students who bring lunch bags or boxes from home must bring it upon beginning of the school day. For the safety and security of all our students, family members are not allowed to bring outside foods to the cafeteria. Should an emergency occur, parent/legal guardian is to leave the lunch bag/box with security personnel in the main entrance of the school. We are a "Peanut Free" school. No nut containing foods or snacks are permitted by any student on any/every school day.

COMMUNICATION

Parent to School Communication

A prime factor in our operation is the importance we place upon communication between home and school. The lines of communication must be always kept open so that we may be properly tuned into your child's needs.

Please notify us immediately if:

1. Your child has developed a communicable disease or Covid-19.
2. You will be out of town.
3. Your telephone number and/or email address (home and/or work) has changed.
4. You wish to change or add to the emergency contact numbers we are to use.

Parent to Teacher Communication

Conferences with individual teachers must be arranged by contacting the teacher via email. Teachers may also be available during their breaks; however, you must make an appointment for these times. Parent conferences are not to be held while other families are able to hear information for other students as all student information is private and we respect each of their individual abilities. **Moreover, please do not engage in parent/teacher conferences during arrival or dismissal times as the primary goal for all school staff is to always maintain the safety of all students. These conferences are to be scheduled by both parties.**

Always attempt to resolve issues/conflicts with the teacher(s) before communicating to the administration. Most issues can be resolved when you have open and honest communication with your child's teacher.

Order of contact to resolve an issue is:

Teacher → Principal

School to Parents Communication

1. www.bridgeprepcollier.com and “News” where home learning, flyers, monthly calendars and all communication is posted throughout the school year.
2. www.focus.collierschools.com is the Collier County Public Schools website in which you can view your child's grades.
3. Emails, text, voice and print notifications will be sent home periodically informing you of upcoming activities or deadlines. Please make sure your contact information is kept current.

Instructional staff uses evaluative devices and techniques as needed to report individual achievement in relation to school goals, acceptance norms, and student potential. Student

grades, unsatisfactory work notices, parent reports on state assessment, and/or standardized testing, parent conferences, and adult/student conferences should serve as the primary means of communicating student progress and achievement of the standards for promotion.

A student’s academic grade reflects the teacher’s most objective assessment of the student’s academic achievement. Students have the right to receive a conduct and an effort grade consistent with their overall behavior and effort.

Specific guidelines for grading student performance and for reporting student progress are provided below and detailed in the *Student Progression Plan*. To view the plan, go to <https://www.collierschools.com/page/14780>.

Academic Grades

Academic grades are to reflect the student’s academic progress. The grade must provide for both students and parents a clear indication of each student’s academic performance as compared with norms that would be appropriate for the grade or subject. Grades will consist of schoolwork, quizzes, tests, all assignments, projects, technology programs and presentations.

Plagiarism

Examples of plagiarism and academic dishonesty include but are not limited to the willful giving or receiving of an unauthorized, unfair, dishonest, or unscrupulous advantage in academic work over other students. Consequences for any plagiarism will be applied as required in **Collier County Schools** Code of Student Conduct.

The academic grades of “A,” “B,” “C,” “D,” or “F,” are not related to the student’s effort and conduct grades. Grades in all subjects are to be based on the student’s degree of mastery of the instructional objectives and competencies for the subject. The determination of the specific grade a student receives must be based on a teacher’s careful consideration of all aspects of each student’s performance during a grading period.

CODE OF EXCELLENCE

We believe that a safe and orderly school is of primary importance. When children behave in a respectful, responsible, and safe manner, they learn more and develop into responsible children whose “character counts”. The BridgePrep Academy Code of Excellence is a school wide plan, which clearly outlines student expectations.

Proper behavior is recognized, and consequences are given for breaking our code. Each parent must take an active role in supporting this plan. We want our children to learn and to be responsible citizens. It is in the children’s best interest that parents and staff work together to ensure a happy, safe, and productive learning experience. The Positive Behavioral Support (PBS) program we implement allows for students who have earned Bulldog Bucks to receive a reward for displaying positive behaviors during school days.

HEALTH GUIDELINES

If your child is injured or becomes ill at school, you will be notified immediately. PLEASE KEEP US CURRENT REGARDING YOUR PHONE NUMBERS BOTH AT HOME AND WORK. This information is vital should an emergency arise.

ILLNESS

1. If you suspect that your child is not well, please keep him/her at home, regardless of his/her desire to come to school. We ask that you do this out of consideration for his/her classmates.
2. If your child has had a fever, his/her temperature should be normal for twenty-four (24) hours before returning to school.
3. If your child has a cold, is coughing, and has a runny nose, please consider that he/she may be contagious to others. Please keep him/her home for his/her care until he/she recovers.
4. If your child has a rash, please keep him/her home, and contact your doctor to find out the cause.
5. Our school staff only administers prescription medication prescribed by a doctor to children upon completion of a medication request form.

Medication Policy

Every attempt must be made by the student's parent and physician to have medications administered at home during non-school hours. When this is not possible, a completed Medication Authorization Form must be provided for **each** medication to be administered during school hours.

No medication may be administered by school personnel unless the parent presents the school with a completed [Medication Authorization Form](#), signed by the physician and parent.

The Medication Authorization Form must be **renewed each school year** and placed in the student's cumulative folder.

Any changes in the type, dosage or frequency of medication administered will require a new Medication Authorization Form to be completed.

The Medication Authorization Form must be current. The Medication Authorization Form will be filed in the student's Cumulative Health Record (*HRS-H Form 3041*).

In an emergency a Medication Authorization Form can be faxed to the physician and returned by fax to the school. A copy should be made of the form, as fax copies fade. An original must be

obtained from the physician and include parent/guardian signatures within 24 hours to continue administering the medication.

Administering Medications

State rule FL Statute, 1006.062 Administrative Rule, 64F-6.004 states that school personnel may assist students in the administration and/or dispensing of prescribed medication in compliance with the following procedures:

All medications will be administered by the school principal or his/her designee.

Medications may be administered by the school principal or his/her designee when there exists an illness or disability that requires maintenance-type medication and when failure to take prescribed medication could jeopardize the student's health and when the medication administration schedule cannot be accommodated before or after school.

If the parent/guardian has completed the Medication Authorization Form correctly and has met the requirements of the district, it is the obligation of the school to see that the student is medicated at the appropriate time indicated on the Medication Authorization Form.

Only the parent/guardian should deliver medications and pick up unused medications.

***Guidelines for administering medication will be followed very strictly.**

There are several illnesses that are common occurrences in school-age children. Children will not be admitted to school and will be sent home if they exhibit any symptoms of illness. Please help us control and minimize the spread of infections to others by providing care for your child when he/she is sick and keeping them at home while doing so.
